## *Collector's Report.*

I respectfully submit the following report. My contract with the selectmen was the same as last year, that is, settle in full Feb. 20, and receive pay \$350:

May 28, 1883, there was placed in my hands for collection, \$29,006 32

Amount paid treasurer, \$27,230 00

Amount of discounts, 913 30

Amount of abatements, 397 00

Amount of highway receipts, 136 13

Amount of discount on bank

stock tax, (new law) 332 25

Due me on last year account, 5 74

Balance due me, 8 10

---

\$29,014 42    \$29,014 42

There was placed in my hands for collection, taken from the highway surveyor's book of 1882, about Sept. 1, 1883, several taxes, of which I have collected, and have now in my possession, \$21.42.

The only comments that I would make at this time are, that I trust my successors will not wait until the time to settle before advertising real estate, when other pay cannot be reached, and not be obliged to advance money to the town.

R. E. BEAN, Collector.

## *Chief Engineer's Report.*

---

In compliance with the law I submit the following report:

### APPARATUS.

The fire apparatus consists of an Amoskeag Steam Fire Engine, the Daniel Webster, No. 1; 30 feet of suction hose, and the necessary discharge pipes; nozzles, lanterns and tools; the Kenrick Hose Carriage with 800 feet of 2 1-2 inch leather hose.

A Hook and Ladder Truck, with a good supply of ladders, and the necessary apparatus to go with the same, in good condition.

One hand hose carriage with 500 feet of rubber lined linen hose.

All located in the Engine House on Central street, near the Lower Paper Mill, in Franklin Falls village.

The Stark Fire Engine No. 3, and Hose Reel, with 150 feet old leather hose has been sold.

Franklin Fire Engine No. 1, with Hose Reel and about 400 feet 2-inch hose, located on Main street, in Franklin village.

I thank the Assistant Engineers and the Firemen for their hearty and active co-operation in all the work devolving upon the department.

There have been no fires.
